Holy Trinity Lutheran Church

May 2019 / vol. 26 issue 5

Almighty and everlasting God, whose providence guides your people in diligent service, bless the officers and enlisted women and men of the Army, Air Force, Navy, Marines and Coast Guard as they perform the duties of their calling. Give them not only true love of country but also love of you and an understanding of your love for all people; so that, relying upon your guidance, they may courageously defend our nation from every foe, promote justice, honor, and unity among our people, and be a means of fostering mutual respect and understanding among all peoples of the world; through Jesus Christ, your Son and Our Lord. **Amen.**

FROM THE PASTOR'S DESK

Interventions

Have you ever participated in an intervention? Interventions are varied. Sometimes people are gathered together to intervene in the life of a loved one because they are afraid for them. Sometimes people intervene in their own lives.

And for very sure there is also the truth that Jesus intervened on the cross for our forgiveness and for eternal life – the ultimate intervention. And when we know how surely Jesus intervened for us, we too can be those who intervene for others.

We are grateful for Jesus who has and continues to intervene in our lives. Jesus sees us, cares about us, speaks to us in word and sacrament, touches us in many ways, and acts in our behalf.

And Jesus tells us that we too can intervene in the lives of others. Please know that you do intervene. Every smile you give is an intervention that breaks through to another. Every hand you touch, every hug you give, every kind word you speak, every caring letter you write, every meal you share with another, every intercessory prayer you pray, and every time you listen with intensity you are making a positive intervention in the lives of others.

HTLC FARMERS MARKET

The Holy Trinity Farmers' Market will return for our 8th season, thanks to a couple volunteers stepping up to assist with the numerous duties of planning and running the market. We still need help. Let me know if you are interested in assisting, even if only for a couple markets. Plans are for the market to kick off the last Tuesday of May which is the 28th, 3-6PM. If producers have product ready earlier, we may move the market up by a week. I will still be working at the school so I truly appreciate the help, especially at the beginning!

This market belongs to all of us and I hope you will continue to be proud of the positive impact

it has had on our community and will continue to assist in promoting it. I always enjoy hearing people respond, "Oh that's the church with the farmers' market."

I am very picky about who we select as producers and the quality of the product they bring, as well as their kind, friendly, and positive approach in their interaction with other producers and our buyers. I will be looking for a couple new producers in the next couple weeks to fill empty spots. Thank you! Cindy L. Shasky A list of where help will be needed, will be posted in the Narthex so you can sign up! Please check the table. The sign up will be posted soon.

PARISH EDUCATION

Parish Education Committee Minutes for April 7, 2019

Attendance: Always and Jon Butz, Nancy and Dick Collier, Tiffany Curvin, Carol Bertholf, Cindy Shasky, and Rachel Wain.

Those unable to attend: Stacey Bowman. Pastor Maki was preaching.

Call to Order: The meeting was called to order at 11:05 a.m. on April 7, 2019 in the Sunday School room.

Minutes: The minutes of the March 3, 2019 meeting were approved as written.

Old Business:

Committee Activities

- VBS- The group discussed doing 3 service projects over the months of summer (1 per month.) Always will continue looking for Biblical based projects. Picking up sticks for an elderly widow followed by a picnic was one of the options discussed. Carol suggested asking Pastor Maki about needs within the congregation.
- Rally Day- The sports rally theme will be developed. We will invite members back to church for regular worship after the summer vacations and encourage participation in as many church activities as possible.
- Confirmation Reception and Gifts- Nancy showed the picture frames that were made at Awardsmith Trophy & Plaque on S. Main St., Mansfield. The total cost for both frames is \$77.50. Cards will be purchased. The two crosses were found and will be included in the gift bag with the pictures. Always reported that the reception is planned and ready to go. It was agreed that a full sheet cake would be purchased and leftovers would be sent home with Tristan and Madison.

Graduation Reception and Gifts- The survey was sent out, but no responses had been received until after an announcement was made at today's worship service. Kate Myers is graduating from OSU with a Masters Degree in Genetic Counseling. Kate is the granddaughter of Frank and Joyce Rauschenberger. Joyce said that Kate would not be able to attend a reception, so, not to have it unless other graduates are identified. Key chains are the gifts for graduates. Rachel is going to look for a prayer or devotional book written for graduates, as well.

- Christmas Program- Dec. 2019. No new information at this time.
- First Communion Reception- When information is received from Pastor Maki about first communion participants, the Committee members will be notified.

Continued next page...

Continued.– Parish Education..

Dates for Sunday School: Nancy informed Pastor Maki of the preference for having Sunday School on June 2, 2019 and not having it on Sept. 1, 2019.

Summer Camp: Rachel arranged a speaker from the Westerville LOMO office, (Jenny) who presented information between services on March 17, 2019. The presentation was well received. One of our youth said that she was registering before the early bird deadline. Half of the campership cost is paid with Parish Education budgeted funds.

Feedback on The Story: No Committee members have gone on-line to look at the resources. Nancy reported that the middle school students seem to enjoy the videos and the narrative readings that we provide as handouts. They actively participate in the Sunday School classes. Always stated that the younger class really enjoys the activities, i.e., braiding Samson's hair, making a basket for the baby Moses, etc.)

Methods to Support the Youth: Always shared the experience of a good friend whose Mormon Church provided support throughout her home church time, movement into and throughout her college life. Having someone available to call, etc. is very helpful.

Background Checks: Almost all Sunday school volunteers need to update their background checks. Cindy had one done last year for school and she will have the results sent to the church office. Nancy will begin the process for completing this requirement for all volunteers who work with the youth.

New Business:

Youth Pastor Networking Day 2019: Nancy and Always attended the program at Mt. Vernon Nazarene University (MVNU) on April 4, 2019. They shared highlights from the program that was presented by Marv Penner. It was an excellent program. Numerous books were recommended by Mr. Penner and by attendees at the program. MVNU will hold an annual youth pastor program on the first Thursday of each April. They will also host a "Training for 10" program for church volunteers working with youth on Aug. 17, 2019. For \$10 a person, people can attend and receive information and support for providing Christian education.

Adjournment: There being no other business, the meeting was adjourned at 11:45 a.m.

Respectfully submitted,

Nancy Collier, Parish Education Committee Chairman

Next Meeting: May 5, 2019

HELP TO SUPPORT A LIFE! FILL UP A BABY BOTTLE.

Members are asked to fill a Baby Bottle with money to support Richland Pregnancy Services. Bottles will be available sometime in May. Filled baby bottles may be dropped off at the church, watch the Announcements in the April Bulletins. Richland Pregnancy Services is a pregnancy resource medical clinic. By filling a Baby Bottle you are supporting a ministry and mission that helps change and save lives in our community. You are partnering with them to help young women and men who face unplanned pregnancies. Services include pregnancy testing, ultra sounds, Mom & Dad mentoring, parent classes, counseling, abstinence programs, and a baby boutique.

ATTENTION KNITTERS!

We seem to have come to a halt as far as knitting hats. I had hoped to make this an ongoing project or at least until we have used all of the yarn we have accumulated. We have yarn purchased through Thrivent funds and also through donations. Anyone who can knit is welcome to join those who made hats last year.

FINANCE COMMITTEE

STILL LOOKING FOR PEOPLE

The job doesn't receive much praise, but we would be unable to pay any bills if it never got done. Thanks again! If anyone can help out this year we still have plenty of spots to sign up for. If you have not counted before and are willing to learn please sign up and training will be available.

We are also looking for individuals who would be willing to fulfill the roles of Finance Committee Chair and Treasurer. New finance committee members are always welcomed, so if you have the skills or talent to help the finance committee, we would love to have you join us.

The **next Finance Meeting will be May 21, 2019** please attend if you are available.

Thanks and have a blessed day,

Jonathan Butz

Council Vice-President

REMEMBER THE LIGHTS!

Holy Trinity Members:
Please don't forget to **turn off the lights** when not needed or if you're leaving

the Church in the evening. The new security lighting that lights the inside the church can't be turned off by any switch in the Narthex.

HOUSE CHARITIES**

Dear Pop Tab Partner,

Thank you so much for your generous pop tab gift! They're on their way to a local recycler who will turn them into cash for us. Since we started in 2009, it has earned our House an average of \$2000—\$4000 a year and has been put to good use for our families. Purchases have included a house computer, digital camera, hot dog machine, Christmas Trees and more. Thanks again for helping us keep families close!

PROPERTY COMMITTEE

Property Committee Meeting April 2 , 2019

Present: Dick Collier, Jim Fleming, Tom Pasheilich, Roger Steude, Jon Butz, Doug Rhodes, Erich Eisenloffel

Topics Discussed:

*Temperature in the east side of the Sanctuary was 68 degrees at 8:40am. and 70 degrees at 9:00am.

On Sunday March 31, even though the low for the morning was 23 degrees, the thermostat was set to turn the heat up in the Sanctuary to start at 4:00am, making it a more comfortable temperature during the service time.

*Our budget for natural gas had started the heating season set at \$841.00 per month. The budget year runs from August 1, to July 31, the following year. On our March 2019 bill, we were notified that our budget amount had dropped to \$401.00 per month thru the end of July. So, we will be saving a nice amount on this utility, even with the average monthly temperature this year being over 4 degrees colder than it was for the same time in 2018- 35.3 for 2018, and 30.6 in 2019.

*Electric usage for the month of March, 2019, was 4303 KWH which is very close to what it was for the same month in 2018, 4274 KWH.

*Our security monitoring company, Vector Security, is having a rate adjustment increase of 5% effective on June 1, 2019.

*Our lawn service company has sent us a list of additional services that they provide for an additional fee; there are 7 different applications at various times of the year beginning in April and ending in November, most for a fee of \$169.12. The services are crab grass control and fertilizer, weed control, insect and grub control, and fall fertilization. We will be considering a few of these applications and will discuss them further at the next committee meeting.

*We are in charge of the April 10th Lupper.

*The big topic of discussion concerns the replacement of the shingles on the east side of the Sanctuary.

(Continued...)

Property Committee (Continued...)

We received a price to do this area from Ben Weiss of Sheriff Goslin Roofing, which is the company that replaced the shingles on the west side of the Church a few years ago. The price to tear off the existing 2 layers of shingles and to replace with new is \$18,835.00. This includes cleanup and 10-year free service on all labor and material from the company, along with a 15-year non-prorated labor and material guarantee from the shingle manufacturer. We also talked about getting additional quotes, but it was brought up that since Sheriff Goslin had done the west side of the Church, we should stay with the same company to complete the job. We do know that the price of having a new roof will not be going down; it is something that we should be undertaking- in the very near future. As there were 8 committee members present at our meeting, a vote was taken and 6 members agreed that we should do something this year; 1 member said that because of the slope of the roof, we did not have to do it this year. Another was leaning both ways, maybe not this year, but it needs to be done sometime. As always, the topic of how we might pay for the new shingles was brought up I suggested to borrow from our bequest fund for this project, and to have a roof replacement fund to pay ourselves back the money. This would be an additional amount specifically for the roof. This will be brought up at our next Church Council meeting.

**Next Property
Committee Meeting

Respectfully submitted,
Dave Erwin

Holy Trinity Church Council Minutes—Brief April 9, 2019

Council Met on April 9th. Jonathan Butz reported that in February 2019 General Fund \$44.60 was in the black; the year to date General fund is in the red, but the forecast for March is positive. We also received a letter advising HTLC of the Alice Ruhl Bequest. The designation for the special offering in May is for Capital Improvement Project.

Dave Erwin, Property Chair received the estimate for work on the east side of the roof of the sanctuary from Sheriff Goslin Roofing. The price to tear off 2 existing layers of shingles and to replace with new will be \$18,835.00. Dave shared that there was detailed discussion about the project as how we might pay for it. Dave suggested that we borrow from our bequest fund for the project and initiate a "Roof Replacement Fund" to pay the money back.

Preparations for Confirmation with reception on Palm Sunday continues. Our confirmands this year are Madison McKinley and Tristan Curvin. In March we welcomed new members Nancy Huck, Stan and Linda Lammon, Karen Ticknor and Kathy McWhirter, in January Don and Roberta Karger.

May 4th there will be a fund raiser for Jesse Berry (Brenda McQuillen's daughter). There will be a taco salad dinner, silent and live auction, and a bake sale.

Holy Trinity continues to need a Treasurer, Stewardship and Finance chair. If you have gifts that would enable you to fill one of these positions, please consider serving. Brenda McQuillen will begin her work day at 7:30 am.

Bells will play on April 28th and in May. They will be off June through August. Summer midweek services will begin on June 5th at 7 pm in the Chapel.

Council noted the reduction in the church gas bill. The security monitoring company Vector Security informed that their rate adjustment will be an increase of 5%.

Jonathan Scheidt, Brenda McQuillen and Rita Scheidt have been working on the Church Web Page. Updates are being made and the process will continue.

The next Council Meeting is on May 14, 2019.

A letter from: Peta Gay Graham

Dear Holy Trinity Evangelical Lutheran Church,

Date: January 29, 2019

Hello! How been you doing? I am doing good. I am glad to write letter to you again. How was holiday? How is family? Hope that they are doing well.

I didn't get good time on my Christmas holiday. I stayed at home all day and helped my parent to do somethings. I helped take care of my little nephew and niece.

But we did spend good time with my family Christmas dinner. It was wonderful day.

On December 31, 2018, I went to meet my friends and had good time with them before I said goodbye to last month.

Thank you for sponsor me since.

Thank you for praying for me. I love you. May God bless you.

Love, Peta-Gay
